- b. State and local government agency use of WSCA contracts is optional. A local government is any city, county, city and county, district or other local governmental body or corporation, including UC, CSU, K-12 schools and community colleges, that is empowered to expend public funds. USER INSTRUCTIONS

- For all orders under this contract, the ordering agency is not required to obtain three quotes.

8. PRICING

Agencies should contact the contractor to see if there is a large quantity discount available. Additionally, educational discounts may be available for educational entities. Please contact the contractor for additional information. See Attachment A for pricing.

9. EXECUTING THE PURCHASE ORDER

THE WSCA/STATE OF CALIFORNIA CONTRACT NUMBER MUST BE SHOWN ON THE PURCHASE ORDER.

State agencies shall use a Contract/Delegation Purchase Order (Std. 65) for purchases and services.

Local governments shall, in lieu of the State's Purchase Order (Std. 65), use their own purchase order document.

Electronic copies of the State Standard Forms can be found at the Office of State Publishing web site: <http://www.dgs.ca.gov/osp> (select Standard Forms). The site provides information on the various forms and use with the Adobe Acrobat Reader. Beyond the Reader capabilities, Adobe Acrobat advanced features may be utilized if you have Adobe Business Tools or Adobe Acrobat 4.0 installed on your computer. Direct link to the Standard Form 65: <http://www.documents.dgs.ca.gov/osp/pdf/std065.pdf>

The ordering agency defines the project scope to determine which goods and related services are needed, and checks the electronic catalog for pricing. Then the ordering state agency completes a Form 65 (Contract/Delegation Purchase Order), including all pertinent information for each individual order issued against the Agreement and sends the Form 65 to the selected Contractor. NOTE: CAL-Card (procurement card; i.e. visa) orders are also accepted.

As a hard copy catalog is not available, you must print a copy of the contract terms and conditions, the Participating Addendum, and a copy of the e-quote from your order and retain this in your files. It is not necessary to provide a copy of each page to DGS. Additionally, it is not the contractor's responsibility to provide this information to you.

10. ON-LINE ORDERING

Contact the supplier representative to discuss setting up an online ordering website for your agency. State agencies must still provide a copy of the ordering document to the Department of General Services, Procurement Division. If using a CAL-Card, a copy of the on-line order acknowledgement must be sent in place of the ordering document. THE AGENCY BILLING CODE MUST BE INCLUDED ON EITHER DOCUMENT **(Local Governments are Exempt)**.

11. PURCHASE ORDER DISTRIBUTION

For state agencies, copies of the STD. 65 with original signatures, or if using the CAL-Card, copies of the order acknowledgement, must be sent to the Contractor, State Controller and Department of General Services, Procurement Division. For local agencies, copies of purchase orders are not required.

12. PAYMENTS AND INVOICES

a. Payment Terms

See WSCA Supplier Contract Information (Attachment A) for Payment Terms.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 et. seq. Unless expressly exempted by statute, the Act requires state agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

Local government agencies may make payments according to their statutory requirements.

b. Payee Data Record (Std. 204)

Each state accounting office must have a copy of the attached Payee Data Record (Std. 204) in order to process payment of invoices. Agencies should forward a copy of the Std. 204 to their accounting office(s). Without the Std. 204, payment may be unnecessarily delayed.

13. TERMINATION

Any State or Local agency may terminate any order against this agreement upon 30 days notice provided the products or services have not already been accepted. This does not affect the termination clause of the WSCA Master Price Agreement concerning failure to perform or upon mutual consent.

14. DGS ADMINISTRATIVE FEE

The agency will not be charged the DGS Administrative fee and agencies will not be invoiced by the contractor for the use of this contract.
